Exam Replay gives you more ways to pass.

Boost your odds of success with an extra opportunity to pass certification exams that show you have the skills needed for today's roles.

Certification Exam with One Retake

Get another opportunity to pass with a Microsoft certification exam voucher and exam retake if you need it.

Certification Exam, Retake and Practice Test

A practice test will boost your preparation, and an exam retake will increase your chances of success.

*Exam Replay is valid for all Microsoft Certification exams except Microsoft Technology Associate (MTA) exams, Microsoft Office Specialist (MOS) exams, Transition Exams, Fundamentals exams, and beta exams. The offer also applies to all available Practice Tests for the valid exams. View available practice tests.

Skill up and get certified to advance your career

Certifications give you a professional edge by providing globally recognized, industry-endorsed evidence of skills mastery. Set yourself apart by demonstrating your abilities and willingness to embrace new technologies.

Unlock more opportunities

Open doors for career advancement with a Microsoft certification that shows your professional network you have verifiable skills that set you apart from other professionals.

Get ahead.

Certified Microsoft skills help you stay ahead of the curve, increase your productivity, and take your career to the next level.

Earn more.

23% of Microsoft certified technologists reported receiving up to a 20% salary increase [1] upon earning their certification.

Advance faster.

Certified employees are often entrusted with supervising their peers—putting them on the fast track for a promotion.

Professionals can expect career advancement from certification. Employers regularly use certifications as selection criteria for hiring and promotion, and are willing to pay certified professionals more[2].
